

Thank you for your interest in being a craft vendor at the Ojai Wine Festival.

The Ojai Wine Festival is a one-day event starting at 11am and ending at 4pm with more than 4000 people attending every year. Our vendor booth spaces sell out quickly, usually by mid-March so contact us early. We allow for only 20 craft vendor booths per year. Please do not contact us after April 30<sup>th</sup>. We will not have space.

We do not allow: trucks or loud generators, double booth spaces, service-based companies, franchises or corporations to rent a booth space but they can become a sponsor at certain levels and receive a complimentary booth space. Please visit our website page at <https://ojaiwinefestival.com/2019-sponsors/> to be a sponsor if you are a corporation or service industry provider.

We look for hand crafted items such as jewelry, artwork, wine and beer related items, uniquely crafted clothing as well as gourmet foods to sample and sell. We do not allow for duplicity of booths but with jewelry, clothing and items of that nature we do allow a few types as long as they are uniquely different from one another. We give preference to vendors who have participated before. All vendors are juried and then notified if they have been chosen to participate.

Vendor fees are \$300 per 12' by 12' booth space and liability insurance is required. You need to furnish your own 10' by 10' pop-up canopy. There is no electricity or WIFI at the event site. If you are interested in applying for our event, please email Kathy Doubleday, our vendor coordinator at: [vendors@ojaiwinefestival.com](mailto:vendors@ojaiwinefestival.com) in January. Please give her the following information: company name, phone number, email address, mailing address, website address and a detailed description of the items you plan to sell, attach pictures if possible and any other pertinent information. If she has booth openings, she will send you an application to fill out. There are no refunds on booth spaces if you cancel. If you do not pay or send in your certificate of insurance by April 30<sup>th</sup> you will lose your booth space. We do not hold checks for payment at a later date.
