

ABOUT THE *Ojai Wine Festival*

The Ojai Wine Festival has been contributing to our local community since 1987. Presented by the Rotary Club of Ojai West Foundation, Inc. the Ojai Wine Festival has grown into a renowned regional fundraising event attracting 2,000 people from Northern, Central, and Southern California.

The Rotary Club of Ojai West Foundation's charitable projects focus on improving education, aiding women and children's health, and supporting activities that enrich the lives of area youth. Our annual projects include our science-based Rotary Floating Classroom, Third Grade Dictionary Project, Nordhoff High School's "Service Above Self" scholarships for graduating seniors, free Ojai Community Summer Band Concerts and Maintenance and Improvements to Rotary Park. In addition, each year local grants are offered to schools, youth, and service organizations. Past grants went to support Boy and Girl Scouts, Help of Ojai, Ojai Unified Public Schools, Girl's Empowerment Workshop, National Search Dog Foundation, Secure Beginnings, Ojai Homeless Shelters, Ojai Cares, Ojai Valley Land Conservancy, Ojai 4th of July Committee, Thomas Fire and COVID-19 relief, Boys and Girls Club, Children's Playground at Libbey Park, and local youth sports, arts, theater, and music programs.

The Rotary of Ojai West Foundation, Inc., supports many worldwide projects fostered by the International Rotary Foundation. These endeavors help protect the environment and drinking water, support peace, implement education programs, improve women's and children's health, combat poverty and fight diseases like [eradicating polio](#) worldwide. Every year our Rotary club donates to Polio Plus: the worldwide fight to eradicate poliomyelitis.

Spread along the shoreline of picturesque Lake Casitas, the Ojai Wine Festival has evolved into one of Southern California's premier beverage tasting experiences. Every year, an abundance of wineries and breweries participate, along with an enticing silent auction, a wine judging conducted by sommeliers, as well as a fantastic selection of food trucks, caterers, and crafts vendors.

Your sponsorship provides an opportunity for you to align your brand with the Ojai Wine Festival and its esteemed local and international charitable causes to gain the recognition of our high-end audience from the Ventura, Santa Barbara, and Los Angeles County markets.

A professional, comprehensive, and highly visual marketing plan has been developed to reach today's complex consumer to promote the event and its supporting organizations. Strategic marketing efforts incorporate radio, print advertising, an integrated social media and web campaign, targeted public relations outreach as well as legacy media.
